	nere are any restrictions regarding your time schedule over the semester, please name them here. It will help us to ordinate meetings and other events.

### **Submitting your registration**

Please save the completed form using your family name and semester (example: NAME\_application form Master\_semester.pdf) and e-mail it to cs4-seminars-labs@lists.iai.uni-bonn.de before the deadline.

## **Privacy Statement**

### 1. Intended data use

The data is used for the exclusive purpose of assigning the seminar and lab topics in the work groups of the Institute of Computer Science 4 at the University of Bonn.

### 2. Propagation

The data will not be given to other departments or institutions.

### 3. Storage

The student may choose if the registration data will be saved

- a. electronically or
- b. as a computer printout of the filled-in and signed registration form.

#### 4. Deletion

The data will be deleted as soon as they are no longer needed for teaching-related administrative tasks. If a student formally asks for prior deletion of his/her data, the data will be deleted immediately.
