Name		E-Mail	
Given Name	Ν	Aatriculation number	
Course of Studios		Semester of	

Note: The topics offered will be supervised by staff members of the Institute of Computer Science (Campus Poppelsdorf) as well as staff members of Fraunhofer FKIE (Zanderstraße 5). This includes regular meetings and/or provision of working environments. You can indicate your preferences below. We will try to consider them as far as possible.

study

 \Box I am fine with both locations.

□ I prefer the university premises (Campus Poppelsdorf).

	I prefer the FKIE	premises	(Zanderstraße.	Bad	Godesberg)	
		prennoes .		000	Coucoscie,	•

Remarks:

Course of Studies

□ I wish to register for the Project Group Firmware Security Bootcamp

Note: The Bootcamp is part of the Bachelor Programme. Bachelor students will be given preferential consideration. The Bootcamp combines a turbo lab and a seminar (MA-INF 3309/Lab "Malware Analysis" and MA-INF 3215/"Selected Topics in Malware Analysis and Computer/Network Security"). The lab part will start 4-5 weeks prior to the start of the following semester. For infrmation on exact dates, topics, prerequisites and organization please refer to the Firmware Security Bootcamp.

Further information about myself

Yes, I am planning to do my final thesis in department 4; presumably in (please specify):

Winter term of

Summer term of

Please name your programming skills and experiences, such as C, C++, Assembler, Java, Python, Perl and others (required field):

Submitting your registration

Please save the completed form using your family name and semester (example: NAME_application form Master_semester.pdf) and email it to cs4-seminars-labs@lists.iai.uni-bonn.de before end of the deadline.

Privacy Statement

1. Intended data use

The data is used for the exclusive purpose of assigning the seminar and lab topics in the work groups of the Institute of Computer Science 4 at the University of Bonn.

2. Propagation

The data will not be given to other departments or institutions.

3. Storage

The student may choose if the registration data will be saved

a. electronically or

b. as a computer printout of the filled-in and signed registration form.

4. Deletion

The data will be deleted as soon as they are no longer needed for teaching-related administrative tasks. If a student formally asks for prior deletion of his/her data, the data will be deleted immediately.
